

## **IN THE SPECIFICATION**

Please amend the specification by inserting, before the first line, the following paragraph:

"This application is a continuation of copending application number 10/076,869 filed on February 15, 2002 which is a continuation-in-part of U.S. patent application serial number 09/996,668, entitled "Pelvic disorder treatment device", filed November 29, 2001, which shares common inventorship with the inventorship of the present patent application, is assigned to the assignee of the present patent application, and is incorporated herein by reference.
